Kids Club Welcomes New Staff Member!

Bainbridge Island Child Care—Kids Club welcomes our newest staff member, Noah Beck. Noah is a former attendee of BICCC—Kids Club, and is very familiar with how our program and curriculum runs. Noah will be assisting with the varied projects that we do through out the week, helping kids with homework, etc. Once he becomes familiar with how the D & D group is managed, he will be sharing the responsibility and the coveted title of Dungeon Master with me as we navigate this brand new school year!

Parents, if you have an opportunity, please introduce yourself to this young man. He looks forward to his time here at the program and getting to know everyone.

With Gratitude !

Our program would not be here without your support and referrals to friends and neighbors. We have enrolled several new families this year that heard about our program from someone who has attended or is attending. We can't thank you enough and will continue to provide the quality care and experience your child or children deserve.

What's Happening!

September had been a busy month! Here are just a few of the highlights:

- Our Welcome Back to School week gave our new 3rd and 4th graders an introduction to new group games and an opportunity to get involved with our ever popular Dungeons and Dragons campaigns. Hats off to our alumni as they helped everyone get acquainted with our daily routines. We couldn't have done it with out them!
- Our week of Camping Hacks had children creating their own recycled bottled water filtration systems, building basic campfire setups, etc. Ending the week with DIY paracord straps compete with survival whistles rounded out the fun!
- The Deadliest Ways to School—Bolivia is giving our kids a chance to see what life is like on the other side of the world, not just the culture and art, but how some children travel miles and through dangerous territory just to get an education. What an eye opener. It gives us a deeper appreciation for what we have.

Can't wait to see what our kids will create in October! We will keep you posted!

Enjoying the Fall leaves with you!

Brigitte, Noah and Sara
